

## MASS FUNERAL PLANNED FOR FIRE VICTIMS

DEATH TOLL IN LANSING, MICH.  
HOTEL BLAZE BELIEVED  
NEAR FORTY

### SEARCH RUINS FOR BODIES

Present List of Known Dead and  
Missing Totals 30. Only 11 Bodies  
Positively Identified

LANSING, Mich., Dec. 13, (UP)—  
Michigan and its state capitol today  
planned a group funeral ceremony  
for the unidentified dead in Tuesday's  
Hotel Kears fire.

As the search for the bodies of vic-  
tims continued slowly through the  
ruins it became apparent that the  
death toll probably will not exceed  
40, but that a number of the vic-  
tims, charred beyond recognition,  
may not be identified even by rela-  
tives and close friends.

The present list of known dead  
and missing totals 30, and 20 bodies  
have been recovered, leaving with  
little question at least 10 bodies in  
the ruins or pinned beneath masonry  
in the Grand river at the rear of the  
hotel.

Police officials, however, are mak-  
ing allowances for additions to the  
list from the finding of bodies  
not yet reported as missing  
and they are of the opinion that  
when the debris is completely cleared  
away the total loss of life will have  
mounted to nearly 40.

Of the 20 bodies recovered this  
morning 11 have been definitely iden-  
tified. Four have been conditionally  
identified and five others are un-  
named.

Police this morning released a list  
of 190 survivors of the disaster and  
this added to the list of 30 missing  
and dead would bring the known  
number of guests and employees of  
the hotel to 220 which is close to all  
informed estimates.

Of the 10 believed missing in the  
debris two were believed to have  
been located by Earl Ewings, Lans-  
ing diver, who explored the Grand  
river last night, but the swift cur-  
rent, he said, made it impossible for  
him to remove them at the time.

While there are only apparently 10  
guests unaccounted for, police offi-  
cials believed the list of missing may  
be gradually increased. They point-  
ed out that the guest list may have  
included traveling salesmen who  
were unacquainted with the remain-  
der of the hotel clientele and who may  
have had no relations to inquire of  
them. There also may have been a  
few persons in the building who were  
not registered.

The list of missing, however, after  
48 hours of publication is being ac-  
cepted as a list of dead. As search-  
ing parties delved farther into the  
ruins it was apparent that some  
bodies never will be identified. Five  
of the eight taken from the ruins  
thus far have been mere forms,  
shrunken by the intense heat and  
without arms or legs.

In all cases where positive identi-  
fication is impossible coroner Ray W.  
Gorsline said the remains will be in-  
terred in a mass ceremony later this  
week.

A coroner's jury viewed the  
wreckage and the bodies but adjourn-  
ed indefinitely to await further dis-  
coveries in the debris. Police re-  
fused even to conjecture the fire's  
cause.

The state legislature, in adjourn-  
ment from a special session, planned  
to scan laws pertaining to fire haz-  
ards immediately after it reconvenes.  
The state administrative board yes-  
terday appropriated \$7,500 to aid  
families of legislators and state em-  
ployees who died or were injured in  
the fire.

### QUAKES REPORTED

TEGUCIGALPA, Honduras, Dec.  
13 (UP)—Earthquakes, continuing in  
the Copan district, terrorized res-  
idents today. Mt. Cerro Azul was  
considered a menace. It was tremb-  
ling violently and apparently sink-  
ing.

### SPECIAL SAFETY MEETING OF LONE STAR EMPLOYEES FRIDAY

There will be a special "Safety"  
meeting of employees of the Lone  
Star Cement company Friday after-  
noon at the plant, Mr. Erdman, su-  
perintendent, announced today. The  
company has held safety meetings  
quite regularly for a number of years  
and the men are all trained to work  
"safely" and as a result, the plant  
has had few major accidents and only  
a small number of minor accidents as  
a result of their educational cam-  
paign in this line. Charles McGaughey  
will address the special meeting  
Friday afternoon.

## OXNAM MAY ACCEPT HIGH CHURCH POST

UNOFFICIAL REPORTS INDI-  
CATE DEPAUW HEAD MAY BE-  
COME NEW M. E. BISHOP

### DR. CRANE IS MENTIONED

Seen As Successor to Dr. Oxnam As  
President of University  
Here

WASHINGTON, Dec. 13, (UP)—  
Dr. G. Bromley Oxnam may resign as  
president of DePauw university to  
accept a Methodist bishopric, it was  
reported unofficially here today.

It also was reported that the  
school may be restored to its former  
rating by the American Association  
of University Professors.

Dr. Henry Hitt Crane, pastor of  
Elm Park Methodist church, of  
Scranton, Pa., is being mentioned as  
Dr. Oxnam's possible successor.

A change could not be made, how-  
ever, until the next general Methodist  
conference in 1936 when new bishops  
are selected, it was pointed out.

Dr. Oxnam practically turned down  
a bishopric at the Atlantic City con-  
ference in 1932 when he withdrew his  
name from the voting.

## Airplane Saves Four From Death

THREE MEN, WOMAN RESCUED  
FROM BLEAK ALASKA WASTES  
BY SEARCHING AVIATOR

ANCHORAGE, Alaska, Dec. 13,  
(UP)—Saved from death by starva-  
tion and cold on a bleak uninhabited  
waste between here and McGrath,  
three men and a woman were re-  
covering today from the effects of  
their nine days of privation.

The party was rescued yesterday  
by Roy Dickson, one of several avia-  
tors who had been searching for sev-  
eral days. The four, Mrs. Hazel Mc-  
Clung, David Strandberg, Weiner  
Puntallo and Pilot Oscar Winchell,  
were forced down on a flight here  
from McGrath when ice formed on  
the wings of their plane.

As the ice forced the plane lower  
Winchell picked out a level space  
and set the plane down evenly in the  
snow. The temperature of the Arctic  
winter was below zero.

An abandoned one-room cabin of-  
fered the only shelter. There was no  
food and the heavy snow made it dif-  
ficult to locate firewood. The one  
blanket was assigned to Mrs. Mc-  
Clung.

There was no food on the plane  
but Strandberg, who with Puntallo  
operates the Takonta mine, shot sev-  
eral grouse. These birds provided  
the party with their only food in the  
nine days they waited for aid. Water  
was obtained by melting snow.

Winchell melted the ice from the  
wings of his plane, but he could not  
get it into the air because drifting  
snow partially buried it. A crude  
pennant was floated from the top of  
the cabin and with green boughs laid  
on the snow a message of distress  
was written for searching aviators to read.

The party was near despair, how-  
ever, as the days passed without  
sight or sound of a motor. Then yes-  
terday the distant roar of a plane  
was heard and the four rushed out  
into the cold to see a plane approach-  
ing. For a few minutes it appeared  
the pilot would not sight them. All  
waved their coats frantically as the  
plane zoomed over. Then they saw  
the pilot bank for a landing.

Dickson loaded the four into his  
heated cabin plane and flew them 150  
miles to the field here. All were put  
to bed immediately, but aside from  
the loss of weight it appeared they  
had suffered no serious consequences.

## SUPERVISED RECREATION WILL START

AND YOUNG MEN IN  
THIS CITY

### APPROVED AS FERA PROJECT

Old and New High School Gym-  
nasiums to Be Used. Schedule  
Starts Saturday

A community recreational program  
for boys and young men, approved as  
an FERA project, and supervised by  
six DePauw students will start in  
this city Saturday. The program will  
be guided and under the indirect  
supervision of Lloyd Messersmith,  
instructor of physical education in  
DePauw university, and Marion  
Crawley, high school athletic di-  
rector.

The boys will be divided into four  
groups:

1. 5 and 6 grade boys.
2. 7 and 8 grade boys.
3. High School.
4. Older boys out of school.

Each group will be given two per-  
iods a week, 1 hour each on Wednes-  
day evening and 1-2 hours each on  
Saturday.

Supervisors are Richard Frisk,  
Fred Yoshida, Gordon Peterson,  
Shas. Beal, Joe Freeman, and Sidney  
Yellowitz.

Wed. Old Gym—6:45—7:45—5 & 6  
Boys.—7:45—8:45—7 & 8 Boys.

New Gym — 6:45—7:45 — High  
School Boys.—7:45—8:45 — Older

Boys and young men enrolling for  
this program will be asked to sign  
the following pledge:

Follow instructions of leaders in  
charge.

Participate in program only at  
periods assigned.

Wear rubber soled shoes on gym-  
nasium floors.

Not to destroy lockers, mar or de-  
stroy any property belonging to  
school or to others, to cooperate fully  
in keeping building and equipment in  
best possible condition.

Turn off all showers not in use  
when leaving shower room.

Only personally owned equipment  
may be removed from building.

### CHINESE BANDITS CAPTURE AMERICAN MISSIONARIES

SHANGHAI, Dec. 13, (UP)—The  
Chinese national government sent an  
embassy to attempt to contact the  
bandits who captured Mr. and Mrs.  
J. C. Stem, American missionaries,  
and their infant daughter.

The Stems were seized at their sta-  
tion in southern Anhwei province.

Willys R. Peck, U. S. consul gen-  
eral at Nanking, requested the national  
government to make every effort to  
effect their safe return. They are  
former residents of Paterson, N. J.

## \$23,996 In Excise Tax Received Here

IS PUTNAM COUNTY'S SHARE  
OF TOTAL OF \$4,800,648.16 DIS-  
TRIBUTED BY STATE

Putnam county's share of the \$4-  
800,648.16 in excise taxes recently  
distributed by the state was \$23-  
996.43, according to figures just re-  
leased by the excise department.

Local corporations received a total  
of \$5,321 from April 7, 1933 to Oct.  
1, 1934, while the balance was dis-  
tributed to local school corporations  
in three payments.

On a per capita basis of \$1.33 the  
local school corporation received  
\$5,391.82 Nov. 1, 1933; on a per  
capita basis of \$1.35 the local schools  
received \$5,472.90 on May 1, 1934;  
and on a per capita basis of \$1.93  
the local schools were paid \$7,810.71  
Nov. 1, 1934.

In addition to the \$4,800,648.16 al-  
ready distributed the report shows  
that the department had a balance  
for distribution to local corporations  
on Nov. 1 of \$99,297.75.

Receipts of the department includ-  
ed \$2,179,811.25 collected in excise  
tax on beer, malt and wort, whisky,  
and other vinous beverages, \$2,700-  
587.51 collected for beer permits,  
\$28,280 collected for malt and wort  
permits, \$71,775 collected for whisky  
permits, and \$33,900 collected for  
vinous beverage permits. Miscellane-  
ous receipts made up the balance of  
the total receipts of \$5,619,817.24.

## A Victim And Survivor In Hotel Holocaust

A victim of the tragic hotel fire at Lansing, Mich., is shown, left, being carried away by rescuers after being hauled out of the icy waters of Grand river in to which he had leaped in an attempt to save himself when he was trapped in his room by flames. Right, M. L. Nolan, of Battle Creek, Mich., one of the survivors, on his cot at Lansing hospital where he was taken with injuries received in a fall from the burning building. Trapped in his third floor room, Nolan attempted to escape the flames with a rope ladder which broke as he was about half way to the ground.

## Good Roads Film Shown Rotarians

FILM SHOWED SAVINGS BY  
GOOD ROADS AND NEED OF  
ADDITIONAL HIGHWAYS

The Lone Star Cement company  
officials furnished an excellent pro-  
gram for the Rotary club Wednes-  
day afternoon, when a film, shown  
through their courtesy, gave the club  
members an insight into the value of  
better highways. The idea behind  
the movement was to prevent the di-  
version of gasoline funds to other  
governmental expenses. The plan is  
coming into use more and more to  
take the gasoline road funds for any  
and all governmental expenses, thus  
stopping the maintenance and build-  
ing of additional highways. This  
money was intended only for road  
construction purposes and because it  
is being diverted into other channels,  
the motorist today is paying for more  
than good roads.

The film also showed the value to  
the motorists of good roads. It not  
only costs less to drive on good  
roads, but is a savings in many ways  
and affords a safety measure that  
cannot be measured in costs alone.  
The film predicted that in the future,  
additional hard-surfaced roads will  
be needed, and intersections, rail  
grade crossings and other danger  
points can be eliminated through the  
use of gasoline funds.

### ELDERLY MAN DISAPPEARS

County and state authorities  
Thursday were requested by relatives  
to search for Sam Allee, age 70  
years, who disappeared from his  
home south of Belle Union early  
Thursday morning. Because of Al-  
lee's advanced age and crippled con-  
dition relatives feared he would come  
to some harm. No reason for his  
disappearance was given.

Allee was said to have been last  
seen driving west of state road 42.  
Although relatives said he took no  
extra clothing with him Thursday  
morning, a later search revealed that  
his clothing was missing from his  
home, indicating he had planned to  
run away.

Important meeting of the Putnam  
County Sporting club tonight at 7:30  
o'clock at the courthouse. There will  
be no meeting next week so all mem-  
bers are urged to attend this eve-  
ning.

## 20 Years Ago IN GREENCASTLE

Miss Marjorie Cole of Indianapolis  
is the guest of Mrs. Parke Dunbar.

W. P. Sackett, member of the city  
school board, transacted business in  
Indianapolis.

The Penelope club met with Mrs.  
Fred Long.

Jacob Kiefer who is employed with  
the Big Four Automatic Signal com-  
pany is visiting his family.

Mrs. Ernest Stoner was hostess to  
the S. C. C. club.

### FILES NEW AFFIDAVIT

Jefferson Rader, 73-year old resi-  
dent of Washington township, filed  
an affidavit for a peace bond in the  
court of Robert H. Newgent, justice  
of the peace, Wednesday, against his  
wife, Phoebe I. Rader. Whereabouts  
of Mrs. Rader at the present time are  
said to be unknown.

Rader filed a similar affidavit in  
circuit court earlier this week which  
later was dismissed on grounds such  
an affidavit must originate in a jus-  
tice of the peace court. Mrs. Rader  
was arrested on the first affidavit  
but later was released when the af-  
fidavit was dismissed. Since the first  
dismissal she has filed a \$1,000 dam-  
age suit against her husband and  
Greeley Huffman, alleging malicious  
prosecution.

## New Class In Electricity

WILL BE ORGANIZED AT HIGH  
SCHOOL FRIDAY EVENING  
AT 7 O'CLOCK

W. E. Search, county supervisor of  
adult education, announced Thursday  
that a new class in electricity will be  
organized at the high school Friday  
evening. This new class will meet  
from 7 to 9 o'clock and is open to  
anyone interested. Those wishing to  
attend the class are asked to report  
at the appointed time.

This class is in addition to another  
class in electricity which meets on  
Monday afternoons from 3:30 to 5  
o'clock.

Search also stated Thursday that  
there has been some demand for a  
class in chemistry. Those interested  
are urged to notify him at once and  
if a sufficient number is obtained a  
class will be formed.

The class in auto-mechanics which  
meets on Monday nights from 7 to 9  
o'clock, will meet next Monday night  
at the L. & H. Chevrolet garage to  
view motion pictures. The general  
public, in addition to class members,  
is invited to see these pictures.

### POLICE HOLD INDIANA MAN

FALLS CITY, Neb., Dec. 13, (UP)—  
Roy Holmes of Rosedale, Ind., was  
held on an open charge of investiga-  
tion here after officers who arrested  
him found an automatic rifle and a  
.32 caliber revolver in his possession.

Officers acted on a tip of a local  
oil man that Holmes had a machine  
gun. Police planned to question  
Holmes in connection with reports  
that oil had been sold in Falls City  
at prices below current market quo-  
tations. Several thefts of oil have  
occurred in warehouses.

### WILL OFFERED FOR PROBATE

The will of Mrs. Frank Shoptaugh  
whose death occurred Sunday was of-  
fered for probate in the Putnam cir-  
cuit court Thursday. Two children,  
Glenn Shoptaugh and Mrs. Margaret  
Hoke were named executors.

Miss Mabel Stoner is confined to  
her home by illness.

## LOCAL TALENT TO BROADCAST FROM PURDUE

4-H CLUB MEMBERS AND OFFI-  
CIALS TO HAVE HALF HOUR  
PROGRAM

Members of Putnam county 4-H  
clubs, the county agent and the coun-  
ty superintendent of schools, will  
broadcast a half-hour program from  
WBAA, Purdue university station in  
West Lafayette, Saturday morning  
from 11:30 to 12 o'clock.

The half-hour program was ar-  
ranged through Eugene Akers, of  
Franklin township, former Putnam  
county 4-H club agent, now a student  
at Purdue university. Akers will pre-  
side, it was reported, and introduce  
those on the program.

Roy E. Jones, county superintendent,  
will discuss "What 4-H Work  
Has Meant to the Boys and Girls of  
Putnam County," E. W. Baker, coun-  
ty agent, will talk on "4-H Achieve-  
ments in Putnam County," Morris  
Evans, 4-H club member, will talk on  
the "4-H Achievement Program," and  
Lucile Nichols, a club member, will  
discuss "What 4-H Club Work Has  
Meant to Me."

In addition a 4-H club trio from  
Washington township composed of  
Virginia Chew, Julia Jean Mace, and  
Virginia Lewis, will sing two selec-  
tions.

Putnam county was one of the  
most outstanding in the state during  
the present year in 4-H enrollment  
and activities which resulted in the  
invitation to present the program  
from the Purdue station. WBAA has  
a wave length of 890 kilocycles and  
can be heard daily.

### KIWANIS LUNCHEON

Prof. F. C. Tilden of DePauw u-  
niversity addressed the local Kiwanis  
club at their Thursday noon meeting  
at the Christian church, giving one  
of his usual interesting and thought  
provoking discussions. His talk  
concerned our changing ideas of the  
universe around us in the light of  
the newer scientific concepts and the  
adjustment of man's more localized  
beliefs in view of this constantly ex-  
panding horizon of the universe. Prof.  
Tilden's comments came at the con-  
clusion of a short business meeting.

Next Thursday's meeting is being  
replaced by a Christmas dinner which  
will be held on Wednesday evening,  
Dec. 19, at Elms Inn. All members  
are asked to notify Mr. West or Mr.  
Mayhall if they can not be present,  
also the number of guests they ex-  
pect. The Christmas dinner will be  
ladies' night for the Kiwanis club.

Pauper cases of the state of Indi-  
ana on the relation of Harry Wells,  
township trustee, against Ross Shill-  
ings and William Smith, pending in  
the court of Robert H. Newgent, jus-  
tice of the peace, have been dismis-  
ed, Newgent announced Thursday.  
The suits were brought by the town-  
ship trustee to prove residence of the  
men in other townships.

## MANY HORSES IN COUNTY DIE OF CORN DISEASE

DR. T. A. SIGLER GIVES ADVICE  
ON AILMENT RELATED TO  
SLEEPING SICKNESS

### DISEASE FOLLOWS DROUGHT

Only One Animal in Ten Susceptible,  
Local Veterinarian Points  
Out

A mysterious malady which re-  
cently has caused the death of many  
horses in Putnam county and  
throughout the corn belt is encephal-  
omyelitis or "sleeping sickness," says  
Dr. T. A. Sigler, local veterinarian,  
who recently has made a close study  
of the malady. The contagion, also  
known as cerebrospinal meningitis,  
forage poisoning, Kansas Horse dis-  
ease, and Borna disease or botulism,  
has appeared in epizootic propor-  
tions throughout the United States  
in the last century, the local veteri-  
narian says.

Dr. Sigler says this disease occurs  
following the hot summer months  
and seems to be a disease that fol-  
lows drought. In the majority of  
cases the stricken animals have re-  
cently been turned into stock fields  
or have been fed fodder, the grasses  
or fodder being infected with some  
kind of mold poisoning.

The disease is said to start with  
typical symptoms of indigestion or  
the animal appears to have been in-  
jured by a kick or fall. Gait is ir-  
regular or staggering and there is  
yawning and grinding of teeth. For-  
tunately only about one horse in ten  
is susceptible, the doctor stated. An-  
other oddity is that the disease ap-  
parently affects horses only.

Dr. Sigler says sick animals are  
favored by keeping them quiet and,  
if possible to do so, to protect them  
against self-injury. Wholesome food  
should be supplied and green food,  
when possible is preferable to dry  
food. Water should be supplied free-  
ly and placed so it is easily reached  
when it is possible for them to drink.  
When it is not possible for them to  
drink, then they must be assisted by  
a stomach tube. Attempting to  
drench them with a bottle is danger-  
ous, as many animals show paralysis  
of the throat. Hypodermic medica-  
tion should be resorted to in most  
cases. Serum should be given to ani-  
mals thus affected.

## R. A. Masons Name 1935 Officers

A. W. CRANDALL ELECTED HIGH  
PRIEST AT MEETING WED-  
NESDAY NIGHT

A. W. Crandall was elected high  
priest of Greencastle Chapter No. 22,  
Royal Arch Masons, at a meeting of  
the body at the Masonic Temple  
Wednesday night. He succeeds H. T.  
Ross who has served in this capacity  
during the past year.

Election of officers followed a  
supper served to thirty-six members.  
Other newly elected officers are as  
follows:

J. E. Macy, king.  
William H. Roby, scribe.  
R. P. Mullins, treasurer.  
E. E. Caldwell, secretary.  
C. F. Mathes, trustee.

James S. Walker, nominee for di-  
rector of the Masonic Temple Asso-  
ciation.

The remainder of the new officers  
will be appointed later by the new  
high priest.

John R. Ash and Albert Moran left  
Wednesday afternoon for Miami,  
Florida where they will be employed.

### INDIANA'S PUBLIC DEBT

It may not mean much to the average taxpayer to know that the public debt in Indiana is only one per cent of the total indebtedness in all of the forty-eight states, or that only three other states have a lower per capita debt than Indiana.

The gross indebtedness of all of the 48 states including all municipalities was \$19,576,412,000 in 1932, the latest available figures show, so that it can be seen that the indebtedness in Indiana was less than one per cent of the total indebtedness in all of the 48 states. Far away fields often look greener, but this is not the case with Indiana and the public debt.

Roy E. Jones, county superintendent of schools, was in Indianapolis Wednesday to attend the state convention of township trustees. Several Putnam county trustees also attended the state meeting.

Sherman Aubrey, arrested Monday on a charge of child neglect, has been fined \$1 and costs and sentenced to serve 30 days on the Indiana state farm by Judge Wilbur S. Donner in circuit court. Both fine and sentence were suspended, however, pending good behavior.

Mr. and Mrs. Ross Montgomery of Linton entertained at a dinner party Sunday for Mr. and Mrs. Alva Thomas, Mr. and Mrs. Charles B. Rutter, Mr. and Mrs. Oscar O'Hair of Greencastle; Mr. and Mrs. James Smith and son of Brownsburg and Mr. and Mrs. Charles Brumfield of Linton.

Local radio fans have reported hearing the former McCartney orchestra of this city, which is now playing at the Blackstone hotel in Ft. Worth, Tex., under the direction of Richard Cole. The broadcast can be heard at 800 kilocycles and the band was due to broadcast Thursday from 6:15 to 6:30 p. m. and again from 11 to 11:30 p. m. Saturday the band is due to broadcast from 6:15 to 6:30. Other broadcasts are said to be heard daily at 1:15 p. m. and on Wednesday and Friday nights at 10:15 and 10:30 p. m. respectively.

C. H. Barnaby of Greencastle, a representative of the Indiana State Chamber of Commerce, was named Wednesday as a member of the advisory council of the Federal Housing Administration in Indiana by R. Earl Peters, state director of the F.H.A. Committee members, representing civic, business, fraternal, and educational organizations, will aid in dissemination of information regarding the housing act to insure widespread use of its benefits, Peters said. The committee will be asked to meet once a month to exchange views on the best means of forwarding the program.

## Two Withdraw; Byrns Gains In Speaker's Race

CONGRESSMAN FROM SOUTH LIKELY SUCCESSOR TO LATE HENRY T. RAINEY

WASHINGTON, Dec. 13, (UP)—Withdrawal of two of his chief competitors today virtually assured Rep. Joseph W. Byrns, D., Tenn., the speakership of the 74th congress.

The lanky Tennessean's candidacy gained momentum as additional state groups divided their support. West Virginia's six Democratic representatives joined Pennsylvania's 23 in announcing for Byrns.

Rep. Sam Rayburn, D., Tex., considered Byrns' principal rival for the office made vacant by the death of Rep. Henry T. Rainey, D., Ill., withdrew a few minutes after the West Virginia vote was announced. Rayburn's decision was announced in a terse three-sentence statement: "I am no longer a candidate for speaker. There are no alibis. Under the circumstances I cannot be elected."

Rayburn's withdrawal was preceded by that of Rep. John E. Rankin, D., Miss., who announced he would seek the post of floor leader instead.

Rep. William Bankhead, D., Ala., probably the most prominent candidate opposing Byrns, was expected to withdraw.

The bandwagon movement behind Byrns reached such proportions that interest switched to selection of a house leader to succeed Byrns, in the event he is elected speaker. Selection of a northern or eastern man appeared probable.

The newest candidate for the leadership was Rep. John McCormack, D., Mass., chairman of the Nazi investigating committee and member of the house ways and means committee. He has been in congress seven years.

Others seeking the floor leadership include Rep. James M. Mead and Rep. John J. O'Connor, New York Democrats who are angling for support of the Tammany delegation. Two Illinois Democrats, Rep. William Arnold and Rep. Adolph Sabath, sought support of their state delegation today before deciding whether or not they will announce for the leadership.

Rayburn gave no indication of whom he would support for the speakership but it was believed most of those pledged to him would climb aboard the Byrns bandwagon.

## Seek Accomplice In Tulsa Slaying

POLICE HUNT COMPANION OF SUSPECT IN YOUNG MAN'S MURDER

TULSA, Okla., Dec. 13, (UP)—Authorities today sought an alleged accomplice of Philip Kennamer in the slaying of John Gorrell, 21. This accomplice, it was said, may have killed Sidney Born, 19.

Kennamer, son of a federal district judge, who has admitted killing Gorrell but contends he acted in self defense, provided authorities with the names of three youths whom he suspected of having killed Born. His story was discounted and no action was taken.

The investigation of a gang of wealthy youths seeking excitement in crime, proceeded with utmost secrecy. Kennamer, accused by authorities of being the leader, gave an interview in his jail cell last night asserting that Gorrell was the leader and his own part had been not alone innocent but chivalrous.

Gorrell, he said, had been planning to kidnap Miss Virginia Wilcox, daughter of H. F. Wilcox, oil millionaire. Because he was "deeply in love" with Miss Wilcox, he sought to prevent the abduction, he said.

Sheriff Charles Price made it clear that he gave no credence to Kennamer's story. Born drove Kennamer, and Price believes, a second man to his meeting with Gorrell that ended in Gorrell's death. This second youth, Price said, may have feared Born would reveal his identity and killed him to insure silence.

Kennamer said Born was his best friend and would have been an important witness in his defense. He named three youths as friends of Gorrell whom he said he suspected of killing Born because they feared he would expose their membership in Gorrell's gang.

Many scions of prominent families remained in hiding, and Tulsa and Oklahoma generally followed every detail of the sensational scandal involving families known throughout the Southwest. Born was the son of a professor of Tulsa university. Gorrell was the son of a prominent local physician.

## IF YOUR BREATH HAS A SMELL YOU CAN'T FEEL

When we eat too much, our food in our bowels. Our friends may decay coming out of our mouth and had breath. We feel the poison decay all over our body. It makes us gloomy, grouchy and no good for anything. What makes the food decay in the bowels, when we eat too much, our food can't digest it. What is the cause? It is the most vital digestive juice in the body. Unless 2 pints of it are flowing our liver into our bowels every day movements get hard and constipated. 1/2 of our food decays in our bowels. This decay sends poison all over our body every six minutes. When our friends smell our bad breath (but we don't) and we feel like a tomato, don't use a mouthwash or laxative. Get at the cause. them children, of 400 who as death in a 40-foot fall when the of a school assembly hall collapsed were recovering today from injuries. It was announced officially that one was killed. Thirty-three remained in hospitals—16 children, 13 and four men.

Children in St. Clement's with their parents, were crowded the second floor hall at 8 o'clock night for a Christmas entertainment. There was a minstrel show and it an exhibition of children's work.

A boy was singing a song there was a loud cracking. The floor sagged and collapsed. Those in the hall plunged buried in debris and blinded by lights went out. An open flickered in a grate in the wall while gas hissed from broken pipes. As the children shrieked for parents, all fire engines and lances in the district sped to the building.

## STOMACH DISTRESS CAUSED BY DEEP- SEATED IMPURITY

Common Symptoms Are Gas  
Pains, Rifting of Half-  
Digested Food, Shortness of  
Breath and Dizziness.

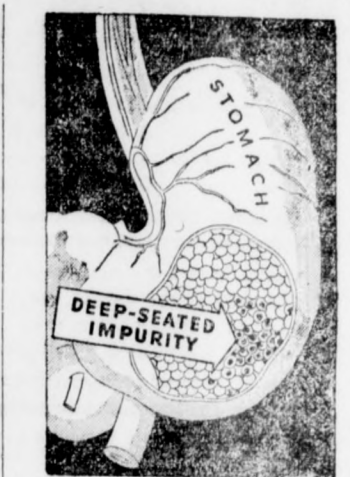

New Scientific Medicine Is  
Found That Works With  
Our Food, Called Indo-Vin;  
Brings Relief in Minutes  
And Costs Only a Trifle.

There has been a notable discovery  
for the relief of stomach distress.  
Not a cure-all, not a "patent" medi-  
cine, but a new, scientific formula  
that works with  
the sufferer's  
food, known as  
Indo-Vin, now  
being introduced  
to crowds daily  
here in Green-  
castle at the  
Mullins Drug  
store. It was  
first introduced  
in Greencastle a  
few weeks ago,  
and has become  
a complete sen-  
sation, and drugg-  
ists and public  
alike state that  
it is helping peo-  
ple who had  
never been really helped before by  
ANY medicine, bringing relief in some  
of the worst cases of stomach trouble  
found in this city.

### What It Is

Indo-Vin is made from natural  
Plants, and taken shortly after meals  
it mixes with the food in one's  
stomach, thus throwing off the poisons  
that foster stomach troubles and  
permitting the kidneys and liver to  
function properly. It acts within 10  
minutes to stop acid risings, bloating  
and belching and will bring out awful  
gases and impurities (frequently  
from the first dose) which may have  
been inside of you for a long time,  
contaminating your blood and inner-  
organs.

Indo-Vin clears out old fermented  
substances, half-digested food and  
other impure "matter." Such im-  
purities often half-fill the stomach  
and intestines and form a coating on

The Stomach Lining Is a Series  
of Small Pits. Impurity Clings  
Deep in These Pits, Often Causing  
Serious Disorders.

the lining, thus causing stomach  
"trouble." Cleansing out these impure  
substances permits freer flow of the  
digestive juices, makes the  
digestive organs sweet and clean and  
gives complete relief from indiges-  
tion, heart palpitation from gas, spit-  
ting up of food, shortness of breath,  
lump in stomach and dyspepsia.  
Likewise, it has a great action upon  
the Kidneys, Liver and Bowels, and  
thus it cleanses and improves the  
whole system in general.

This is no mere tablet or pill, and  
not a powder, syrup or capsule, and  
it does not contain alcohol or a single  
habit-forming drug, but it is a sci-  
entific LIQUID mixture from 22  
Medicinal Plants, all blended into one  
remarkable compound. It is vastly  
different from any previously known  
formula, contains perhaps more in-  
gredients than three ordinary medi-  
cines put together. While it is being  
introduced in Greencastle every suf-  
fering person can try it at the small  
cost of only a few cents a day. So if  
stomach affliction, or even some little  
digestive difficulty, is bringing you  
misery it would certainly be a mis-  
take not to try it.

Indo-Vin is now being introduced  
to the public daily here in Greencastle  
at the Mullins Drug Store and sold  
by every good druggist in all the  
nearby towns throughout this whole  
section.

LAFAYETTE, Ind., Dec. 13.—Pur-  
due university won its second victory  
of the basketball season here last  
night, defeating DePauw, 38 to 18, in  
a dull encounter.

Coach Ward Lambert used only  
third and fourth string players dur-  
ing the first half which ended in a  
14 to 14 deadlock.

Led by Bob Kessler, varsity for-  
ward who scored nine points, the  
first team players counted 24 points  
to 4 for DePauw in the final period.  
Lee was the only Tiger to worry the  
Boilermakers. He jumped well at  
center and scored three field  
goals.

The Purdue reserves at one time  
in the first half held a 10 to 3 lead,  
but DePauw burst out with enough  
scoring to knot the count at the in-  
termission. Summary:

### BAINBRIDGE WINS

Bainbridge defeated Belle Union,  
28 to 26 down on the Belle Union  
high school gym floor Wednesday  
night. During the final periods Belle  
Union staged a rally making the  
contest a red hot affair with the Bain-  
bridge netters pulling through with  
a slim two-point margin. The same  
teams will clash on the Bainbridge  
hardwood courts Saturday evening.

## WATCH KIDNEYS SAME AS BOWELS

Wash Out Your 75,000 Feet of Kidney Tubes

Your bowels contain only 27 feet of in-  
testines, yet the kidneys contain nearly 10  
million tiny tubes or filters which would  
measure 75,000 feet if laid out end to end.  
Therefore, it is just as important to watch  
the kidneys as the bowels. Kidneys are  
working all the time and are Nature's chief  
way of taking the acids and poisonous  
waste out of the blood.

Healthy persons pass 3 pints a day thru  
the bladder which contains nearly 4 pounds  
of waste matter. If you pass less than this  
amount, your 75,000 feet of kidney tubes  
may be clogged with poisonous waste. This  
is the danger signal and may be the begin-  
ning of nagging backache, leg pains, loss  
of pep and vitality, getting up nights, lum-  
bago, swollen feet and ankles, rheumatic  
pains and diseases.

Kidneys should be watched closely and  
need cleaning out the same as bowels. Ask  
your druggist for DOAN'S PILLS, an old  
prescription, which has been used success-  
fully by millions of kidney sufferers for  
over 40 years. They give quick relief and  
will help to wash out your 75,000 feet of  
kidney tubes.

But don't take chances with strong drugs  
and so-called "kidney cures" which claim  
to fix you up in 15 minutes. Your common  
sense will tell you that this is impossible.  
Treatments of this nature may seriously  
injure and irritate delicate tissues. Insist on  
DOAN'S PILLS, the old reliable relief that  
contains no "dope" or habit-forming drugs.  
Be sure you get DOAN'S PILLS at your  
druggist.

## MOTORISTS MUST AID IN REDUCING HIGHWAY DEATHS

INDIANAPOLIS, Dec. 13.—Unless we have cooperation of the motorists in the efforts of the state highway commission and other agencies to reduce the loss of life and property in motor vehicle accidents on the state highway system, little can be accomplished to reduce Indiana's annual economic loss from this source, James D. Adams, chairman of the highway commission, pointed out today.

The state highway commission, he stated, is spending many thousand dollars each year to widen the most traveled sections of state highways, to widen the shoulders and bridges and culverts, to eliminate dangerous curves and grades, to eliminate intersections of highways and railroad and interurban tracks, in addition to the money spent to keep the highways in good condition for use at all seasons of the year. Every effort is made, he continued, to give the motorist on state highways ample warning of his approach to curves, turns,

narrow bridges, grade crossings and other hazardous conditions which may exist.

While these expenditures have and will continue to prevent many accidents that might result in death and fatal injuries, reports for the first ten months of the year show an increase in fatalities from motor vehicle accidents on our state highways. While this increase is smaller than in other states, it indicates that Indiana will have a total of approximately 300 fatalities in motor vehicle accidents for the year.

Accounts of accidents appearing in the daily papers indicate that in a majority of cases the motorists disregarded ordinary precautions. Attempting to pass other vehicles on grades and curves, failing to regard approaching traffic when passing other vehicles and disregarding ordinary precautions as to speed when weather conditions are bad, are among the most frequent causes of accidents.

No improvement to the highways, existing or future, can guarantee the safety of the motorist using those highways unless he assumes his share of responsibility and observes the simple precaution of always having his car under control and being ready to meet an emergency.

Witnesses Heard  
In Woman's Trial

MRS. NEOMA SAUNDERS FACES  
CHARGE OF MURDER IN  
LEBANON COURT

LEBANON, Ind., Dec. 13. (UP)—Character witnesses were paraded before a jury in Boone circuit court today as defense attorneys resumed their fight to win freedom for Mrs. Neoma Saunders, 35, Wabash, who is charged with plotting the murder of her husband, Gaylord V. Saunders, former Methodist minister.

After the character witnesses have been questioned and cross examined, Mrs. Saunders is expected to testify in her own defense. It is believed the defense will conclude its testimony tomorrow.

The comely, black haired widow is charged with first and second degree murder. After her case is completed, Theodore Mathers, 19, Coalmont, will be tried on the same charge. He and Saunders were roommates at an Indianapolis embalming school at the time of the slaying.

Mrs. Saunders has confessed that she gave Saunders \$10 to have her husband killed. Mathers fired the fatal shot, her confession said.

The first defense witness called yesterday after the state had rested was the Rev. W. Earl Pittenger, pastor of the First M. E. church, Wabash.

He testified that Saunders drank heavily for a year before he died.

"Saunders was extremely nervous and I was convinced he was going insane," Rev. Pittenger told the jury.

"I persuaded Mrs. Saunders to file papers to have him committed to an institution because I felt he was a desperate character and was too dangerous to be living with his family."

"Mrs. Saunders told me she had been submitted to indignities by her husband for several months."

When Prosecutor John J. Kelly objected to "mud slinging at Mr. Saunders" Eliza Rogers of the defense counsel replied:

"We intend to show that this man was a moral pervert who was going crazy and driving his wife insane."

Attacking the character of Mrs. Saunders, Prosecutor Kelly, cross examined Ross Curtis, 20, Wabash, a friend of the family.

"Did you ever kiss Mrs. Saunders," Kelly asked.

"Yes," replied the youth. "I kissed her several times while we were alone and several times while other persons were present."

Ross then told of being on drinking parties with Mrs. Saunders and her husband. He and the minister drank hard liquor but Mrs. Saunders confined herself to beer, the youth said.

Curtis also told the jury that Saunders once threatened to kill Mathers with a butcher knife.

"I intervened and Saunders bit me on the finger," Curtis said.

## BODY FULL OF NEURITIS PAINS

Indo-Vin Cleared This Affliction From His System; Now Sound and Well.

Mr. Clayton Lutes, of 1128 North 25th Street, Terre Haute, Ind., is now adding his name to the long list of HUNDREDS of people in this vicinity who are publicly praising and endorsing the new, scientific, mixture of Extracts from Medicinal Plants, known as Indo-Vin, which is now being introduced to the public daily here in this city at Mullins Drug Store.

Clayton Lutes

Following is this widely known man's statement: "If anybody in this world ever suffered more from neuritis than I did I don't know how they could stand it," said Mr. Lutes. "This neuritis kept getting worse all the time and finally I got to where I was in constant pain and misery with it. It seemed to go from one part of my body to another and when it would strike me in the arms and shoulders, it felt like my very nerves were being torn out of me."

"I tried ALL KINDS of medicine, but Indo-Vin was the only medicine I ever found that turned out to be what I needed. Its great natural action has eliminated all the neuritis from my system. In fact, I haven't got a single ache or pain anywhere in my body. And you don't know what a blessed relief that is. I am GLAD to endorse this medicine, for it deserves anybody's praise."

Indo-Vin is now being introduced to the public daily here in Greencastle at Mullins Drug Store and sold by every good druggist in all the nearby towns throughout this whole section.
